

# RBC Social Enterprise Accelerator 2

## Powered by Innovate Calgary

Accelerating Startups that have **Social Impact** as core to their mission and **Profitability** as core to their business model.

### What are we seeking?

Startups that are working to create **economic** and **social value** for Albertans; especially those that focus on the following areas:

- Health & Nutrition
- Persons with Disabilities
- Youth
- Education
- Employment
- New Arrivals
- Environment
- Affordable Housing

### Who are we seeking?

# 6

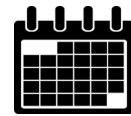

Startups that meet the following criteria:

- Clearly-defined social impact
- Clearly-defined sources of revenue
- Scalable market potential
- Incorporated in Alberta
- Less than 10 employees
- Technology as part of their solution
- High potential startups not meeting above criteria may also be considered
